

EVERY BREATH YOU TAKE

Sol
 Every breathe you take
 Do
 Every bond you brake
 Sol
 I'll be watching you

Mim
 Every move you make
 Re
 ev'ry step you take

Sol
 Every single day
 Do
 Every game you play
 Sol
 I'll be watching you

Mim
 And every word you say
 Re
 Every night you stay

Do Sol
 Oh can't you see, you belong to me
 Mim Re
 My poor heart aches, with every breath you take

Sol
 And every move you make
 Do
 Every smile you fake
 Sol
 I'll be watching you

Mim
 And every vow you brake
 Re
 Every claim you stake
