

NOVEMBER RAIN

Mi Do#m Si
 When I look into your eyes I can see a love restrained
 Mi Do#m Si
 But darlin' when I hold you Don't you know I feel the sam .

Do#m FA# Si
 Cause nothin' lasts forever And we both know hearts can change
 Do#m FA# Si
 And it's hard to hold a candle In the cold November rain

Do#m FA# Si
 We've been through this such a long long time Just tryin' to kill the pain

Do#m Do#m
 But lovers always come and lovers always go
 Do#m Do#m SI Si
 And no one's really sure who's lettin' go today Walking away

Do#m Do#m
 If we could take the time to lay it on the line
 Do#m Do#m Si Si
 I could rest my head Just knowin' that you were min

Mi Do#m Si
 So if you want to love me then darlin' don't refrain
 Mi Do#m Si
 Or I'll just end up walkin' In the cold November rain

Mi Fa# Mi Fa#
Do you need some time...on your own Do you need some time...all alone

 Mi Fa#
Everybody needs some time... on their own
 Mi Fa#
Ooh everybody needs some time on their own

Re#- Mi Si
I know it's hard to keep an open heart

Re#- Mi DO#
When even friends seem out to harm you

Re#- Mi Si
But if you could heal a broken heart

Re#- Mi Fa#
Wouldn't time be out to charm you
