

NOTHING ELSE MATTER

Mim Re Do Mim Re Do
So Close no matter how far Couldn't be much more from the heart
Mim Re Do Sol Re Do
Forever trusting who we are And nothing else matters

Mim Re Do Mim Re Do
I've never opened myself this way Life is ours we live it our way
Mim Re Do Sol Re Do
All these words I don't just say And nothing else matters

Mim Re Do Mim Re Do
Trust I seek and I find in you Every day for us something new
Mim Re Do Sol Re Do
Open mind for a different view And nothing else matters

Re Do La Re Do La
Never care for what they do Never care for what they know
La Mim
And I know
