 Mama, take this badge off me      I can't use it anymore

Sol            Re            La m Sol            Re            Do  
 It' getting dark, too dark to see      I feel like I'm knocking on heaven's door

Sol            Re            La m  
 Knock, knock, knocking on heaven's door

Sol            Re            Do  
 Knock, knock, knocking on heaven's door (due volte)

Sol            Re            La m Sol            Re            Do  
 Mama, put my guns in the ground      I can't shot them anymore

Sol            Re            La m  
 That long black cloud is coming down

Sol            Re            Do  
 I feel like I'm knocking on heaven's door

Sol            Re            La m  
 Knock, knock, knocking on heaven's door

Sol            Re            Do  
 Knock, knock, knocking on heaven's door (due volte)
